OSHA INSPECTION REPORT

Inspection Date/Time:

Pre-Inspection	YES	NO			
Person and title contact by OSHA:					
Did inspector show his credentials?					
If no, why? Names of OSHA inspectors and their office area:					
Names of OSFIA inspectors and their office area.					
Reason for the inspection:					
Employee complaint? (If yes, attach copy. OSHA is required by law to provide a copy).					
Scheduled inspection?					
Other (comment)					
Opening Conference					
Names of contractors, their representatives and titles (or attach list):					
Increation Tour					
Inspection Tour	YES	NO			
Who from Beeler Construction accompanied the OSHA inspector?					
Who else joined the OSHA inspection group?					
Did the inspector take any photographs?					
Did Beeler Construction take any photographs?					
Were safety hazards and unsafe acts observed? If yes, what were they and who had					
responsibility?					
Was immediate corrective action taken? If no, why?					
Special comments regarding inspection:					
Closing Conference	YES	NO			
Did OSHA hold closing conference with Beeler Construction?					
With other contractors?					
Names of contractors, their representatives and titles (or attach list):					
What alleged OSHA violations were discussed and with whom (or attach list):					
At the closing conference, it is very important to establish which citations rightfully belong to Beeler Construction					
versus other companies. When citations are incorrectly assigned, Beeler Construction is forced to spend					
unnecessary time and money contesting them.					
This OSHA Inspection Report is to be started at the beginning of and completed immediately after an OSHA					
inspection.
