# OSHA INSPECTION REPORT

Inspection Date/Time: \_\_\_\_\_

Pre-Inspection	YES	NO
Person and title contact by OSHA:		
Did inspector show his credentials? If no, why?	<input type="checkbox"/>	<input type="checkbox"/>
Names of OSHA inspectors and their office area:		
Reason for the inspection:		
Employee complaint? (If yes, attach copy. OSHA is required by law to provide a copy).	<input type="checkbox"/>	<input type="checkbox"/>
Scheduled inspection?	<input type="checkbox"/>	<input type="checkbox"/>
Other (comment)	<input type="checkbox"/>	<input type="checkbox"/>
Opening Conference		
Names of contractors, their representatives and titles (or attach list):		
Inspection Tour	YES	NO
Who from Beeler Construction accompanied the OSHA inspector?		
Who else joined the OSHA inspection group?		
Did the inspector take any photographs?	<input type="checkbox"/>	<input type="checkbox"/>
Did Beeler Construction take any photographs?	<input type="checkbox"/>	<input type="checkbox"/>
Were safety hazards and unsafe acts observed? If yes, what were they and who had responsibility?	<input type="checkbox"/>	<input type="checkbox"/>
Was immediate corrective action taken? If no, why?	<input type="checkbox"/>	<input type="checkbox"/>
Special comments regarding inspection:		
Closing Conference	YES	NO
Did OSHA hold closing conference with Beeler Construction?	<input type="checkbox"/>	<input type="checkbox"/>
With other contractors?	<input type="checkbox"/>	<input type="checkbox"/>
Names of contractors, their representatives and titles (or attach list):		
What alleged OSHA violations were discussed and with whom (or attach list):		
At the closing conference, it is very important to establish which citations rightfully belong to Beeler Construction versus other companies. When citations are incorrectly assigned, Beeler Construction is forced to spend unnecessary time and money contesting them.		
This OSHA Inspection Report is to be started at the beginning of and completed immediately after an OSHA inspection.
